Standing orders	£ 5,493
Garden of remembrance	£ 2,073
Total assets	£74,523

The Minibus income unfortunately dropped when school runs were abandoned. It is however slowly climbing as more use is made of it from the three Churches and outside users.

The Garden of Remembrance is getting close to break even, now that a sensible charge for a plot has been established.

We are still hoping that a new Hall will be built within the next 2 years, only a small amount of general funds would have to be used.

Generally a very healthy year, and already this year is looking good.
